Bates' Visual Guide Persistent URLs

Title	**URL**
Chapters	
1.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091076
1.2. Importance of Patient Comfort	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091078
1.3. General Survey & Vital Signs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091080
1.4. The Skin	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091082
1.5. HEENT	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091084
1.6. Nervous System: Cranial Nerves	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091086
1.7. The Neck	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091088
1.8. Back, Posterior Thorax, and Lungs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091090
1.9. Upper Extremities	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091092
1.10. Breasts	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091094
1.11. Anterior Thorax and Lungs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091096
1.12. Cardiovascular System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091098
1.13. Abdomen	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091100
1.14. Peripheral Vascular System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091102
1.15. Lower Extremities	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091104
1.16. Nervous System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091106
1.17. Genital and Rectal	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091108
1.18. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091110
1.19. Summary	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091112
2.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091114
2.2. General Survey and Somatic Growth	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091116
2.3. Vital Signs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091118
2.4. The Skin	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091120
2.5. Head and Neck	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091122
2.6. The Eyes	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091124
2.7. Ears and Nose	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091126
2.8. Mouth and Pharynx	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091128
2.9. Thorax and Lungs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091130
2.10. The Heart	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091132
2.11. Breasts and Abdomen	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091134
2.12. Genitalia and Rectum	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091136
2.13. Musculoskeletal System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091138
2.14. Nervous System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091140
2.15. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091142

3.1. Approach to the Child Patient	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091144
3.2. General Survey and Somatic Growth	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091146
3.3. Vital Signs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091148
3.4. The Skin	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091150
3.5. Head and Face	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091152
3.6. The Eyes	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091154
3.7. Ears and Nose	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091156
3.8. Mouth and Pharynx	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091158
3.9. Thorax and Lungs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091160
3.10. Breasts and Abdomen	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091162
3.11. Male Child Genitalia	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091164
3.12. Female Child Genitalia	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091166
3.13. Musculoskeletal System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091168
3.14. Nervous System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091170
3.15. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091172
4.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091174
4.2. Approach to Patient and Interviewing Techniques	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091176
4.3. Health History	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091178
4.4. General Survey and Vital Signs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091180
4.5. The Skin and HEENT	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091182
4.6. Thorax, Lungs, and Cardiovascular System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091184
4.7. Breasts, Abdomen, and Peripheral Vascular System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091186
4.8. Genital and Rectal	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091188
4.9. Musculoskeletal and Nervous Systems	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091190
4.10. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091192
5.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091194
5.2. Health History	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091196
5.3. General Survey	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091198
5.4. Vital Signs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091200
5.5. Acute and Chronic Pain	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091202
5.6. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091204
6.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091206
6.2. Health History	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091208
6.3. Anatomy Review—Skin, Hair, and Nails	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091210
6.4. Examining the Skin	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091212
6.5. Examining Hair and Nails	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091214
6.6. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091216

7.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091218
7.2. Anatomy Review—Head	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091220
7.3. Examining the Head	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091222
7.4. Anatomy Review—Eyes	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091224
7.5. Examining the Eyes	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091226
7.6. Anatomy Review—Ears	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091228
7.7. Examining the Ears	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091230
7.8. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091232
8.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091234
8.2. Anatomy Review—Nose	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091236
8.3. Health History	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091238
8.4. Examining the Nose	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091240
8.5. Anatomy Review—Mouth	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091242
8.6. Examining the Mouth	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091244
8.7. Anatomy Review—Neck	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091246
8.8. Examining the Neck	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091248
8.9. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091250
9.1 Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091252
9.2. Anatomy Review—Thorax and Lungs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091254
9.3. Beginning the Examination of the Thorax and Lungs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091256
9.4. Examining the Posterior Thorax	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091258
9.5. Examining the Anterior Thorax	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091260
9.6. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091262
10.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091264
10.2. Health History	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091266
10.3. Anatomy Review—Vascular Structures of the Neck	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091268
10.4. Estimating Jugular Venous Pressure (JVP)	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091270
10.5. Assessing the Carotid Pulse	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091272
10.6. Anatomy Review—Heart	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091274
10.7. Examining the Heart	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091276
10.8. Heart Sounds	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091278
10.9. Auscultation of Heart Sounds	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091280
10.10. Attributes and Grading of Heart Murmurs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091282
10.11. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091284
11.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091286
11.2. Anatomy Review	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091288
11.3. Health History	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091290

11.4. Examining the Arms	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091292
11.5. Examining the Abdomen	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091294
11.6. Examining the Legs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091296
11.7. Assessing for Chronic Arterial Insufficiency	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091298
11.8. Assessing for Venous Insufficiency	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091300
11.9. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091302
12.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091304
12.2. Anatomy Review—Breasts and Axillae	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091306
12.3. Health History	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091308
12.4. Examining Female Breasts	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091310
12.5. Examining Male Breasts	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091312
12.6. Examining Axillae	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091314
12.7. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091316
13.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091318
13.2. Health History	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091320
13.3. Anatomy Review—Abdomen	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091322
13.4. Examining the Abdomen	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091324
13.5. Examining the Liver	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091326
13.6. Examining the Spleen	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091328
13.7. Examining the Kidneys	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091330
13.8. Special Techniques	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091332
13.9. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091334
14.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091336
14.2. Health History—Male Genitalia and Hernias	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091338
14.3. Anatomy Review—Male Genitalia and Hernias	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091340
14.4. Examining the Male Genitalia	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091342
14.5. Assessing for Hernias	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091344
14.6. Anatomy Review—Rectum	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091346
14.7. Health History—Rectum, Prostate, and Bladder	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091348
14.8. Examining the Anus, Rectum, and Prostate	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091350
14.9. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091352
15.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017044
15.2. Health History	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017046
15.3. Anatomy Review—External Female Genitalia	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017048
15.4. Examining the External Female Genitalia	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017050
15.5. Anatomy Review—Internal Female Genitalia	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017052
15.6. Examining the Internal Female Genitalia	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017054

15.7. Rectovaginal Examination	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017056
15.8. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017058
16.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091354
16.2. Anatomy Review—Mandible	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091356
16.3. Examining the Mandible	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091358
16.4. Anatomy Review—Shoulders	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091360
16.5. Examining the Shoulders	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091362
16.6. Anatomy Review—Elbows	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091364
16.7. Examining the Elbows	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091366
16.8. Anatomy Review—Wrists and Hands	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091368
16.9. Examining the Wrists and Hands	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091370
16.10. Anatomy Review—Spine	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091372
16.11. Examining the Spine	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091374
16.12. Anatomy Review—Hips	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091376
16.13. Examining the Hips	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091378
16.14. Anatomy Review—Knees	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091380
16.15. Examining the Knees	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091382
16.16. Anatomy Review—Ankles and Feet	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091384
16.17. Examining the Ankles and Feet	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091386
16.18. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091388
17.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091390
17.2. Health History	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091392
17.3. Anatomy Review—Cranial Nerves	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091394
17.4. Examining Cranial Nerves I-XII	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091396
17.5. Examining the Motor System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091398
17.6. Assessment of Coordination	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091400
17.7. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091402
18.1. Introduction	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091404
18.2. Anatomy Review—Sensory System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091406
18.3. Examining the Sensory System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091408
18.4. Anatomy Review—Reflexes	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091410
18.5. Assessment of Reflexes	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091412
18.6. Recording Your Findings	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091414
Volumes	
Entire Volume 1 - Head-to-Toe Assessment: Adult	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017038
Entire Volume 2 - Head-to-Toe Assessment: Infant	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091048
Entire Volume 3 - Head-to-Toe Assessment: Child	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091050

Entire Volume 4 - Head-to-Toe Assessment: Older Adult	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017039
Entire Volume 5 - General Survey and Vital Signs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091052
Entire Volume 6 - Skin	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091054
Entire Volume 7 - Head, Eyes, and Ears	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017040
Entire Volume 8 - Nose, Mouth, and Neck	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091056
Entire Volume 9 - Thorax and Lungs	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091058
Entire Volume 10 - Cardiovascular System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091060
Entire Volume 11 - Peripheral Vascular System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091062
Entire Volume 12 - Breasts and Axillae	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091064
Entire Volume 13 - Abdomen	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091066
Entire Volume 14 - Male Genitalia, Rectum, Anus, and Prostate	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091068
Entire Volume 15 - Female Genitalia, Anus, and Rectum	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017041
Entire Volume 16 - Musculoskeletal System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091070
Entire Volume 17 - Nervous System: Cranial Nerves and Motor System	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091072
Entire Volume 18 - Nervous System: Sensory System and Reflexes	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6091074
OSCEs	
OSCE 1: Chest Pain	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6017060
OSCE 2: Abdominal Pain	http://batesvisualguide.com/multimediaplayer.aspx?multimediaid=6130472
